

this the cake is cut by the oldest member on the day, and Madge, at 91 years, outclassed all others.

The photo taken with Phil Liggett, then President of the CTC, was joyfully posed by that gentleman and is a favourite of mine.

I do not think I have known anyone so full of life and ready for some new event. Surely, Madge has been an example and challenge to us all in being so unconcerned with aging.

Mark Jacobson

TIMES PAST - AUGUST BANK HOLIDAY

When the jetty at Margate was used by the Royal Sovereign, Royal Daffodil and other vessels they plied to and fro from London, Southend and other ports.

Thanet Road Club decided to have a cycle trip to Essex on an August Bank Holiday and to go by boat! We duly assembled at Margate Jetty and boarded the Royal Sovereign with our cycles. The boat was pretty packed but we had an enjoyable journey to Southend .

We unloaded our cycles, rode down the mile long pier and on into the Essex countryside.

When it was time to return we boarded a boat at Southend which took us across to the Isle of Sheppey from whence we cycled home to Margate.

A jolly good day cycling was enjoyed by us all!

Queenie Wicks

Brents Tavern, Upper Brents,
Faversham
ME13 7DP 01795 532282
